Articles submitted for consideration of the Board will have to be in English. Translation Today will seriously consider the possibility of publishing material in Indian languages, or a multilingual edition of the journal in future. There is no size-limit on articles except that they may preferably be within 40K to avoid slow downloading for the electronic version. Articles should, however, be preferably and optimally between 2000 and 3000 words in length for the print-based version. Unpublished contributions will be preferred. While submitting pieces already published elsewhere, the author must mention the fact as well as get permission to reproduce the same. The submission should be by e-mail. Please use .doc or .txt format. Graphics could be in JPEG, GIF, Photoshop or BMP format. All articles should carry a 100-word abstract and a short bio-note of the contributor.

Style and Conventions

The journal prefers American Psychological Association (APA) style/LSA style. Diagrams and figures should be suitable for photographic/scanner reproduction. Drawings should be in black font. Lettering should be of draughtsman standard and large enough to remain legible where the figure requires reduction in size. Tables should be typed on separate sheets.

Author's Benefit

All the contributors from India would receive a complimentary copy (print) of the journal and overseas contributors would receive an e-copy of the journal.

Reviewing System

The Translation Today follows double-blind peer-review policy. At first, the received paper is reviewed by the editors. If the editors find the paper suitable for the journal qualitatively, then the paper is sent to the experts who review the paper based on the guidelines of the Translation Today. The decision of accepting a paper for publication depends on the review report. Please see the Review Response Sheet in the NTM website.

Publication Fee

The Translation Today does not charge any processing or publication fees.

Copyrights

Copyrights for the articles/translations/book reviews are retained by the National Translation Mission, Central Institute of Indian Languages, Mysore.

Plagiarism

Though all submissions are put on rigorous plagiarism check, the responsibility of originality of content rests with the concerned authors. A paper found with plagiarized content (major or minor) will not be considered for reviewing or publication.

Open Access Policy

For the wider dissemination of knowledge, all published articles of the Translation Today are freely accessible online. The back volumes of the print edition are also available on payment.
